Great Reduction

Men's Neckwear

I have reduced the better part of my first shipment of Welch, Margetson & Co.'s London-made Neckwear, which formerly sold for 75c, 81, and 81.25, to 50c each. This great reduction in FINE GOODS, combined with the large and varied assortment in styles and patterns of my present stock of 50 CENT Scarfs, make it the largest, handsomest, and cheapest line of Neckwear ever offered in Washington.

I have also added all the late styles of the best domestic manufacture in Silk, Satin, Linen, and Pique.
